BS Major	MS Major	Date Entered Graduate Studies
BS School	MS School	Date Entered PhD Program
BS GPA	MS GPA	Date Passed Screening Exam
		Date Passed Qualifying Exam

Industrial & Systems Engineering Coursework:

Course	Title	Units	Semester	Grade	Advisor
Choose 3 of following 5 core courses for screening exam (to be completed by third semester in the program)					
ISE 511	Mechatronic Systems Engineering				
ISE 610	Design of Experiments				
ISE 620	Advanced Topics in Applied Stochastic Models				
ISE 630	Foundations of Optimization				
ISE 662	Advanced Decision Theory				
Subtotal ≥ 9 units					
ISE 790	Directed Research (required for screening exam)	1			
Total ≥ 24 units**					

Non-ISE Coursework:

Course	Title	Units	Semester	Grade	Advisor
Total Units ≥ 9					

Other Coursework

Course	Title	Units	Semester	Grade	Advisor
ISE 651	Seminar in Industrial Engineering	1			
ISE 651	Seminar in Industrial Engineering	1			
ISE 651	Seminar in Industrial Engineering	1			
ISE 794a	Doctoral Dissertation	2			
ISE 794b	Doctoral Dissertation	2			
Total Other Units					
Total All Units (> 60)					

Note: Only 2 semesters of GRSC 800 (Preparing for the Qualifying Examination) is permitted.

If transferring MS units, only 18 ISE units are required
